Description

We believe in camel milk, so we believe it should come in all forms. We are the first to produce thick and creamy camel milk yoghurt in the world giving you another way to reap on the benefits of camel milk!

Yogurt is highly nutritious and is an excellent source of protein, calcium and potassium. Yogurt provides numerous vitamins and minerals and is relatively low in calories. Camel milk is already a natural probiotic but in yoghurt form which contains live culture, your digestive system will be very happy!
